cwCustomerSiteActions.cwChartCustomColors.ColorByView.{name of the view} allow to change the default color set for chart

```
/*********************************************************************************
Configs : list the view with the color chart
*********************************************************************************/
cwCustomerSiteActions.cwChartCustomColors = {};
cwCustomerSiteActions.cwChartCustomColors.ColorByView = {};

// custom colors for specifics views
cwCustomerSiteActions.cwChartCustomColors.ColorByView.index_process_lifecycle_deliver = ['#0A5294','
    #093395','#091397','#200899','#42089B','#65089D','#89079F','#A10795','#A30773','#A5064F','#A7062B','
    #A90505','#AB2B05','#AD5204','#AF7A04','#B1A303','#98B303','#71B502','#48B702','#1FB901','#01BB0D','
    #00BD38','#00BF64'];

// default color
cwCustomerSiteActions.cwChartCustomColors.ColorByView.default = ['#5aa2cc', '#2262a0', '#8ac9de', '
    #d84a28', '#93341f', '#c3c9ca', '#dd5b26', '#1b5894', '#e68d45', '#93351f', '#ba3d25', '#67b0d6', '
    #d74927', '#e58941', '#d84a28', '#67b0d6', '#ba3d25', '#93341f', '#e68d44', '#e68d44', '#dd5b26', '
    #c4c9ca', '#59a2cc'];
```

Color must in hex value. You can select has many color as you want, the chart will pick them in order, if a chart need 6 colors and you put only 5 in cwCustomerSiteActions.cwChartCustomColors.ColorByView.{name of the view}, it will use the color number 1 for the 6th color.
